Honorable James H. Welsh  
Commissioner of Conservation  
Office of Conservation  
Post Office Box 94275  
Baton Rouge, LA 70804-4275

Re: Bolivina Perca Zone, Reservoir L  
South Thornwell Field  
Jefferson Davis Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **DENBURY RESOURCES, INC.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Bolivina Perca Zone, Reservoir L, in the South Thornwell Field, Jefferson Davis Parish, Louisiana, created by Office of Conservation Order No. 479-C-20, effective August 22, 2000:

1. To redefine the Bolivina Perca Zone, Reservoir L, in the South Thornwell Field, as being that gas and condensate bearing zone encountered between the depths of 11,550 feet and 11,820 feet (electrical log measurements) in the Denbury Resources Inc. – Potter 33 No. 2 Well located in Section 33, Township 11 South, Range 4 West, Jefferson Davis Parish, Louisiana.
2. To permit the unit operator to drill, designate and utilize the Denbury Resources Inc. – Lacassine 33 No. 3 Well as alternate unit well for the BOL P RL SUA, at the location shown on the attached plat.
3. To find that the proposed alternate unit well is necessary to efficiently and economically drain the single unit reservoir.
4. Except for the requests set forth above, to confirm and continue in effect the BOL P RL SUA, established by Office of Conservation Order No. 479-C-20, and the provisions of the 479-C Series of Orders relating to said unit.

March 19, 2003

5. To consider such other matters as may be pertinent.

The Bolivina Perca Zone, Reservoir L, in the South Thornwell Field, Jefferson Davis Parish, Louisiana, was previously defined in Office of Conservation Order No. 479-C-16, effective April 25, 2000, and is hereby redefined as set forth above in Finding No. 1.

Pertinent data, including well logs, may be obtained AT THE COST OF THE REQUESTING PARTY, from Mr. David Comeaux of Leon Comeaux and Associates, Post Office Box 53922, Lafayette, Louisiana 70505, Telephone Number (337) 233-9839.

Pursuant to the Revised Rules of Procedure, pre-application notice was given; however, no request for the conference was received. Therefore, the conference tentatively scheduled for Monday, March 31, 2003, WILL NOT BE HELD.

No change to the exterior limits of the existing BOL P RL SUA is being requested. The applicant is requesting that the unitized interval be redefined, that the existing unit be confirmed and continued in effect, and that the operator be permitted to drill, designate and utilize an alternate unit well at the location shown on the attached plat.

Attached hereto and made a part hereof are a plat and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being sent. Pursuant to the Revised Rules of Procedure, such plat (being the same plat attached to the notice dated March 7, 2003) and list of parties are being furnished only to the Commissioner of Conservation and the District Manager of the Lafayette District of the Office of Conservation; however, the plat and/or list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of \$755.00, made payable to the Office of Conservation representing the required hearing application fee.

Very truly yours,

LISKOW & LEWIS
